

Size guide

Please follow the instructions below to help you evaluate your shoe size.

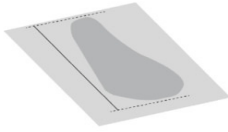

STEP 1

Firstly, stand on a piece of paper bare foot. Then, draw a line around your foot.

STEP 2

Repeat this with the other foot, as both feet can have different lengths.

STEP 3

Measure the longest distance and use the MM measurement in the chart to discover your closest size.

Geometry Chart (MM)

	UK	USA (men)	Length (mm)
37	4.5	5.5	233
38	5	6	240
39	6	7	246
40	6.5	7.5	253
41	7	8	260
42	8	9	266
43	9	10	273
44	10	11	280
45	11	12	286

Geometry Chart (INCHES)

	UK	USA (men)	Length (mm)
37	4.5	5.5	233
38	5	6	240
39	6	7	246
40	6.5	7.5	253
41	7	8	260
42	8	9	266
43	9	10	273
44	10	11	280
45	11	12	286
