## Size and Fit Information

### Kids Helmets

To determine correct size, measure head circumference 2.5cm above eyebrows. Note: Head circumference measurements falling between two sizes should consider ordering the smaller size helmet. Helmet should sit level on the head at eyebrow level. Straps should sit close on the cheek and behind the ear. Buckle should allow opening of mouth while not being too loose.

| Size                       | CM    | IN          |
|----------------------------|-------|-------------|
| Child / Adolescent Unisize | 50-56 | 19 2/3 - 22 |
