

# 2026 Scott Raxter 200 Bike - Vibrant Orange - One Size - Geometry

Geometrical Chart in MM

|   |                                                                     |          |
|---|---------------------------------------------------------------------|----------|
|   |                                                                     | 20"      |
| A | head tube angle / angle tube de direction                           | 69.1 °   |
| B | head tube length / hauteur tube de direction                        | 110.0 mm |
| C | top tube horizontal / longueur horizontale tube supérieur           | 447.0 mm |
| D | standover height / hauteur entre-jambes                             | 317.0 mm |
| E | BB offset / deport axe de pédalier                                  | -45.8 mm |
| F | BB height / hauteur axe de pédalier                                 | 222.7 mm |
| G | wheel base / entraxe roues                                          | 858.3 mm |
| H | BB center to toptube center / dist. boîtier - milieu tube supérieur |          |
| I | BB center to top of seattube / dist. boîtier - sommet tube de selle | 260.0 mm |
| J | seat angle / angle tube de selle                                    | 73.1 °   |

|   |                                |          |
|---|--------------------------------|----------|
| K | chainstay / longueur des bases | 352.0 mm |
| L | reach / reach                  | 306.0 mm |
| M | stack / stack                  | 464.9 mm |
| N | stem length / longueur potence |          |

## Geometrical Chart in Inches

|   |                                                                     |            |
|---|---------------------------------------------------------------------|------------|
|   |                                                                     | <b>20"</b> |
| A | head tube angle / angle tube de direction                           | 69.1 °     |
| B | head tube length / hauteur tube de direction                        | 4.3 in     |
| C | top tube horizontal / longueur horizontale tube supérieur           | 17.6 in    |
| D | standover height / hauteur entre-jambes                             | 12.5 in    |
| E | BB offset / deport axe de pédalier                                  | -1.8 in    |
| F | BB height / hauteur axe de pédalier                                 | 8.8 in     |
| G | wheel base / entraxe roues                                          | 33.8 in    |
| H | BB center to toptube center / dist. boitier - milieu tube supérieur |            |
| I | BB center to top of seattube / dist. boitier - sommet tube de selle | 10.2 in    |
| J | seat angle / angle tube de selle                                    | 73.1 °     |
| K | chainstay / longueur des bases                                      | 13.9 in    |
| L | reach / reach                                                       | 12.0 in    |
| M | stack / stack                                                       | 18.3 in    |
| N | stem length / longueur potence                                      |            |
