

LINUS FELIX E6100 BIKE - MIDNIGHT BLUE - SIZE CHART

FELIX FRAME HEIGHT RECOMMENDATIONS:

- **Medium:** 5'5" - 5'9" / 165cm - 175.25cm
- **Large:** 5'10" - 6'3" / 177.8cm - 190.5cm

FRAME SIZE:

- **Medium:** 55cm
- **Large:** 59cm

STANDOVER HEIGHT:

- **Medium:** 77.5cm
- **Large:** 82.5cm

EFFECTIVE TOP TUBE LENGTH:

- **Medium:** 58.8cm
- **Large:** 60.2cm

*Note: Some riders may be a little outside these height range recommendations but prefer the feel of a larger or smaller size. Stand over height measurement is not as important as how the bike geometry feels while it is being ridden. As long as the rider can reach the ground while sitting on the saddle, even if it's just their toes, this size will be compatible with their height.
